Please make a plan before the start of the school day as to how your student will get home. We are unable to effectively get messages to students at the end of the day and do not like to disrupt their class with non-emergency calls.

Absences and Tardies—Please contact the office at 525-7602 to report a student's absence. If your student has thrown up or has a fever or rash in the last 24 hours, please do not send them to school.

Be sure you can get text messages from Bush. Make sure the office has your cell number then text "SUBSCRIBE" to 67587
