

IMPORTANT SCHOOL IMMUNIZATION NOTICE

April 15, 2011

Dear Parents:

Idaho school immunization requirements have changed for the upcoming 2011-2012 school year. The following requirements are effective beginning Fall 2011.

New requirements for children born after September 1, 2005:

- 5 doses DTaP
- 4 doses Polio
- 2 doses MMR
- 3 doses Hepatitis B
- 2 doses Hepatitis A
- 2 doses Varicella (Chickenpox)

New requirements for students entering 7th grade Fall 2011:

- 1 dose Tdap
 - 1 dose Meningococcal
- (In addition to vaccines currently required)**

Please review your student's immunization records with your healthcare provider to ensure that your student will meet any new or existing school immunization requirements. Immunizations must be complete for school registration to be finalized. If you have any questions, please contact your school nurse or Eastern Idaho Public Health District, 533-3235.

Sincerely,

Lynne J. Trauntwein

Lynne Trauntwein, RN BSN
