

Attendance

Please remember to call and excuse your students if they are absent. If they need to go to the doctor, make sure that you bring in a doctor's note, so it can be medically excused. (208)525-7705

Trimester 1, we had 162 students that were recognized for perfect attendance. Good job students!

June 8th last day, early dismissal 12:00

Mark your Calendars

Parent Teacher Conferences

Thursday Feb 1st, 4:00-7:30pm. Open house, come in and see your children's grades and speak with teachers.

Friday Feb 2nd, 8:30am-12:30pm. Open house or by appointment. If you would like to meet with a teacher, please contact them in advance.

We will have a drawing for dinner and movie tickets for the parents who attend parent teacher conferences. There will be a winner for 7th grade parents and for 8th grade parents.

News from the Kitchen

Students may only charge up to 5 lunches before they are given an alternative meal.

Parents check on power school for your children's lunch balances.

We are an offer vs serve cafeteria, this means that each student must take a vegetable or a fruit, they do not have to have both unless they want to. This keeps our waste down.

Cold and Flu season is upon us. Please keep your student home if they are feeling ill. Remember to wash your hands.

Yearbooks

You may still purchase yearbooks. The cost is \$30.00. See the front office to get yours before it is too late.

Counselor's Corner

The next couple of months are busy for our 8th grade students, as they begin the process of high school planning, which includes high school tours, four year plans and registration. Check with your students to see what they thought of the tour and ask them to see a copy of their four-year plans to get an idea of their goals for the future.

On March 14th all 8th graders will have an opportunity to take the PSAT as a practice for when they take the SAT in high school for college entrance. The feedback from this test will help students see areas of strength as well as strategies to improve.

Our 7th grade students will meet with the counselors the week of Feb 5th to receive a course catalog and registration form for the 2018-2019 school year. The following week each team will have the opportunity to enter their course requests on Power School. The students will also be taking part in career exploration and starting their digital portfolios for college and career readiness.

If you have questions for Miss Priest (8th grade) or Mrs. Andrews (7th grade) please call 208-525-7706 or email them

Did you move or get a new phone number?

Have you moved?

If you have moved during the school year, please notify the school and provide verification of your new address. If you move outside of Eagle Rock boundaries, you can request a waiver. Forms are available online or at Eagle Rock.

Do you have a new phone number?

If you have a new phone number, please notify the school of your new number. It is essential that we have a current contact number for each student.

Does emergency contact need and up date?

If you need to make a change, please notify the school. Keep in mind that we will not release a student to anyone that is not listed on the student demographic page.
