

Welcome Back! We are off to a great start.

Over the summer we did a lot of great changes to our school, which include new floor and paint in the cafeteria, new lockers and a new parking lot for the buses. It looks amazing. It has been a lot of work for our custodial staff. We want to give them a huge Thank you. We appreciate all they do for our school.

As part of keeping track of our students, remember that attendance is taken every day. Please, make sure that if your student is not going to be in school, be sure to call us. So that we are informed of where the students are at. (208)525-7705.

As an increased measure of security, all visitors must check in the front office to get a badge. This includes, parents who come during lunch, during school hours, before and after school. Please help to keep our students safe and check in to get a badge.

Activity Cards are still available for purchase in the office for \$8. Picture make ups are on Sept. 13th

Sept, 2018

We would like to welcome several new teachers that have joined our school. Here is a little bit about some of them.

"I am a mother of 3 wonderful children. Our family moved to Eastern Idaho in 2003. I have been fortunate to work in education for over 20 years. I have taught at all grade levels, but have enjoyed the middle school years the most! My hobbies are coaching basketball, volleyball, hiking and water skiing. My family has lived in East Idaho for 15 years and most recently I taught at Madison Middle School for the last 8 years"-Mrs. Christenson-PE

"I am originally from a family of 9 and grew up in North Carolina. I started playing the cello in 6th grade and have loved it since. At BYU-Idaho, I tried many different paths, but always came back to wanting to teach music and be involved there. I am now married and have 3 kids of my own and couldn't be happier to be back in Idaho Falls. Oh and by the way, orchestra is the best! -- Mr. Clay- IFHS/Skyline/ERMS Orchestra

"I am from Pocatello. I attended at BYU-Hawaii and ISU. I have a wife, 2 daughters and a son on the way in Oct. I enjoy writing, surfing, skiing, hiking, and watching movies with my family."
Mr. Contor -8th English

"I have lived in Montana most of my life. I graduated with a BS degree in business and Math from Western Montana College and graduated from Montana State University Billings with a masters in School Counseling. I have taught in Montana for 26 years. I have 3 daughters and am married to Dan Campbell (who is now teaching 8th grade science at ERMS as well) We are very excited to be at Eagle Rock! - Mrs. Campbell-8th Math

"I am so excited to be here at Eagle Rock! I have loved being in the basketball coach for the last several years and I truly believe this is where I am supposed to be. I love anything that has to do with sports and I am the true definition of a tomboy. I have 2 amazing children, my handsome son in a senior at Skyline and my beautiful daughter is a 7th grader here at ERMS. I also have 5 wonderful step children. I have an amazing husband who is the man of my dreams! Even though I was born and raised in Arizona, I think Idaho is definitely the place for me!" Mrs. Elordi-Health
