

Surprise and Celebrate our Faculty & Staff in 21-22!

We're using SignUp.com to organize an upcoming Lion Family Project.

Our faculty and staff work hard to create a school filled with joy, challenge, and acceptance. I have an idea to surprise them throughout the year by having families of students recognize them when they least expect it.

This might be a card signed by you and your student we can leave in the faculty room or a kind email I can forward to everyone. It might be a delivery of doughnuts or cookies. It might come from one family or several. It might even be breakfast or hot chocolate on a snowy morning.

Whatever works for you and your family would be perfect and show our wonderful facilitators we appreciate all they do. Call Shelly if you have questions or want to brainstorm, 208-589-5408. Thank you! Let's fill the year with fun.

We have 43 adults in our immediate staff. Let us know your plan and we will include a table card from you to them. Thank you so much for helping us start a new, positive, and "Compassy" tradition! Facilitator Appreciation Week is May 2-6 and we'll plan for extra surprises that week.

Here's how it works in 3 easy steps:

1. Click this link to see our SignUp on SignUp.com: <https://signup.com/go/fxNAzVC>
2. Review the options listed and choose the spot you like.
3. Sign up! It's Easy - you will NOT need to register an account or keep a password and your email will not be shared.

On your day, drop off or deliver your surprise for faculty and staff. It's like Random Acts of Kindness every week when they least suspect it!

Sincerely,

Shelly D. Smede
