

Supervised Suspension Information 2015/2016

1. SS begins at 8am and ends at 2pm. Responsible adult must bring student in to SS and come in to SS to get student. Student is not permitted to drive self to SS. Parent or referring administrator must arrange and provide for transportation. It is expected that student will be picked up on time.
2. Student must pass inspection of pockets, purses, coats, packs, ect., before entering SS. Items determined by facilitator to be distracting from **any** student's school work are confiscated and turned over to student's building administrator, from whom student may obtain said item(s) upon return to school. Electronic media use allowed for school assignments only.
3. Student is expected to bring with her/him to SS, all assignments, books, and materials needed to complete assignments. Student is responsible to complete and return assignments and books to home school. **No library** access available in SS.
4. Student will be assigned work station by the facilitator on arriving at SS. **Student is expected to remain at assigned station, facing inward, working on school assignments, without communication or disruption with/of other students the entire time at SS. Sitting on chair or standing on floor are only acceptable postures.** Student requires prior permission from facilitator before leaving assigned station for any reason.
5. Breakfasts (\$1.75) and lunches (\$2.55) are usually available. Student may bring own meals. No refrigeration is available. Reduced/Free meal status can only be confirmed for D91 students. Students from other districts must pay full price or bring own meals. Breakfast and Lunch will be picked up 8:00am and 11:55am respectively. Student will walk to/from cafeteria and eat at his/her assigned work station without communication with other students.
6. SS attendance and behavior is reported to referring administrator, PO, and parent/guardian of student. Waiver of any rule is responsibility of referring administrator.
7. Parent/guardian will pick up disruptive/noncompliant student promptly.
8. SS room may be monitored by security camera/recording system.
9. Students will not leave SS unaccompanied.
10. No medical care or medication is available at SS. Student requiring medication during school day must bring and take medication him/herself. Parent will inform facilitator of medication needed upon check in.

I understand and agree to comply with SS requirements listed above

_____ student

_____ parent or guardian

_____ referring administrator
