## **D91 Announces Free Meals For Children**

Beginning immediately all D91 students will be eligible for a free breakfast and/or a free lunch until Dec. 31, 2020 or the funding runs. This special program is available as a result of a waiver that was just approved by the U.S. Department of Agriculture.

“This program is just one more example of how Idaho Falls School District 91 is striving to support our families who are being impacted by COVID-19 and this ongoing pandemic,” said Superintendent George Boland.

The waiver also allows Idaho Falls School District 91 to provide meals to any child ages 1 to 18. Those meals will be served curbside 9 am to 9:30 am Monday through Friday at two locations -- Skyline High School and Compass Academy.

D91’s Child Nutrition program will continue to offer Take-Home meals for Fridays when school is not in session. Students will pick up those meals at their school on Thursdays. Families should continue pre-ordering the take-home meals through the Google Form at [www.ifschools.org](http://www.ifschools.org). If families forget to pre-order a meal, they can pick up meals on Fridays from 9 am to 9:30 am at Skyline High School or Compass Academy.

The Child Nutrition Department still needs to track the number of meals being served so students will still go through the lunch line and give their student ID, but they won’t be charged for meals. Those who have been paying for meals will be credited for anything purchased since Sept. 1, but please be aware that it may take time for those lunch balances to be updated.

Parents with questions can contact the D91 Child Nutrition Department at (208) 525-7532.
