Idaho Falls School District 91 is requesting proposals for enterprise wireless access points and network switches. The completion of the purchase from this RFP will be entirely contingent upon full funding from the Universal Service Program for Schools and Libraries (E-Rate). The awarded vendor must be a participating E- Rate service provider and maintain a valid SPIN.

Description

- The Idaho Falls School District 91 plans to take advantage of E-Rate funding discounts. Idaho Falls School District 91 expects providers to make themselves thoroughly familiar with any rules and regulations regarding the E-Rate program.
- The awarded vendor will be responsible for procuring the SLD payment portion from the SLD via FCC Form 474.
- Idaho Falls School District 91 reserves the right to deny any or all proposals associated with this RFP. The district reserves the right to have the contract award dependent upon SLD funding approval.
- Bidders must clearly identify specifications for all products in their proposal.
- All costs related to the project must be included in the bid price. Proposal must clearly identify costs associated with each item and/or service.
- Proposals will be required to comply with all applicable local, state, and federal requirements and laws.
- Bidders who attempt to influence staff or board members of the Idaho Falls School District 91 outside of official meetings and forums may have their proposals disqualified.
- Sealed bids must be received by the Idaho Falls School District 91 by 3:00 p.m. MST, March 4, 2021 at the Idaho Falls School District 91 Administration Office, 690 John Adams Parkway, Idaho 83401. The bid must include all descriptions and costs as well as the warranty and product availability sheet. Any bids received after this time and date will not be accepted. No bid may be withdrawn after the time of opening. Any bid may be withdrawn, either personally or by written request, at any time prior to the time set for bid opening.
- The awarded proposal will be the one most cost effective and in the overall best interest of the Idaho Falls School District 91. Responsive proposals will be evaluated according to the following criteria: (1) cost of products and services, including non-eligible and indirect costs, (2) equipment specifications and performance, (3) compatibility with existing district equipment, (4) compatibility with district support tools and knowledgebase, and (5) prior experience with vendor and vendor track record.
- It is the intent of the Idaho Falls School District 91 to award this project in a timely manner after the submission deadline, however, the actual purchase order may not be issued until after funding approval by the Board of Trustees and E-Rate program.
